Circle - Area
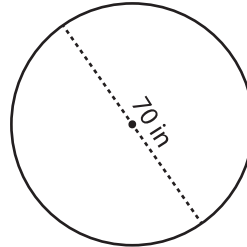

Find the area of each circle. Round your answer to the nearest tenth. (use π = 3.14)

1)

50 ft

Area = _____

2)

70 in

3)

22 yd

rea = _____

4)

46 in

Area = _____

80 ft

rea = _____

7) If the ...

a) 1193... ft²
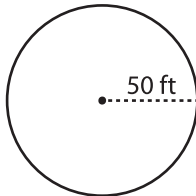

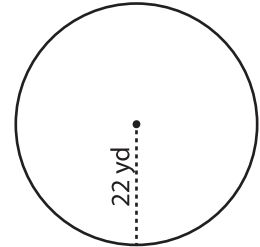

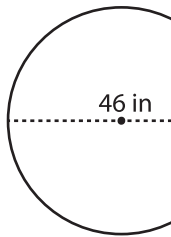

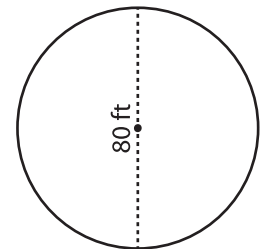

8) What ...

a) 163.28 yd²   b) 2122.64 yd²   c) 8490.56 yd²   d) 322.56 yd²

9) The diameter of the pudding is 94 in. What is the maximum area available for toppings?
Round your answer to the nearest tenth. (use π = 3.14)

Area = _____
