

Name : _____

Cash 'n' Carry

Emma is at the cash counter of an electronic equipment store that sells the following items:

- 1) Terry is her first customer. He buys a mouse and a tablet. How much does he pay?

- 2) Susan comes next. She buys a mouse and a camera. How much does she pay?

- 3) Evelyn buys a tablet and a mouse. How much do the goods cost?

- 4) Alyssa buys a camera, a microwave oven, and a tablet. How much does Alyssa pay altogether?

- 5) Joe buys two electronic items, and his bill amounts to \$79.27. What does Joe buy?
