Name : _____          Score : _____

## Ordering Integers

**A)** Order each set of integers from least to greatest.

1)   98, 5, 46, 19, 77, 24          _____

2)   56, −47, −11, 38, −62, −83          _____

3)   −17, −71, 90, −25, −54, −39          _____

4)   −31, −64, −95, −58          _____

5)   26, −91, 0, −13, 67          _____

**B)** Order each set of in

1)   −66, 82, −41, 8, 50          _____

2)   −70, −10, −84, −51          _____

3)   81, 68, 21, −18, 72          _____

4)   2, 48, 37, 85, 53,          _____

5)   11, 62, −1, −74, 33, −99          _____

**C)** The following table represents the average temperature for 6 cities in the month of January. Order the cities from the coldest to the warmest temperatures.

| City | Boston | Arizona | Winnipeg | Oymyakon | Las Vegas | New Delhi |
|------|--------|---------|----------|----------|-----------|-----------|
| Temperature ($^0$F) | 29 | 54 | −9 | −50 | 47 | 45 |

_____
