

Name : _____

Adverbs

An **adverb** is a word that modifies the meaning of a verb, an adjective, or another adverb.

Example: Dr. Watkins listens to all the complaints patiently.

How?

Circle the adverb and state whether that adverb describes "how", "when" or "where" an action has taken place.

- 1) Our flight took off smoothly.

- 2) Edwin came to school early.

- 3) A tortoise walks slowly.

- 4) Mathew is visiting his grandparents.

- 5) Drake lives upstairs.

- 6) Lily came late to school.

- 7) We have an old library.

- 8) Wendy distributed the candies equally among the students.

- 9) The fisherman held his fishing rod tightly as he felt a strong tug.

- 10) The leaves are fallen everywhere.
