

Fairy tale

'Grimm's Fairy Tales', by brothers Jakob and Wilhelm Grimm was published in 1812. Given here is an excerpt from "The Travelling Musicians", a popular tale from this collection.

An honest farmer had once an ass that had been a faithful servant to him a great many years, but was now growing old and every day more and more unfit for work. His master therefore was tired of keeping him and began to think of putting him to some other use. He saw that some mischief might be done with him, and began his journey towards the great city. He said to himself, 'I may turn musician
