Today is a fun day at school. Our teacher gives each student a ticket to play all the games.

My first ride is the carousel.

My next ride is the Ferris wheel.

Now I play a game. I like to throw the ball and knock over the bottles. I always beat that game!

A breeze blows past. I smell the air. Something smells yummy! I almost forgot the other thing we can use our ticket to do. We can buy snacks!

I use my ticket to buy popcorn. I love the school carnival.
