

Riding the Waves

by Katie Clark

Brittany carried her skimboard across the beach as she approached the shoreline.

Uncle Steven was going to teach her to bodysurf. She was excited, but she hoped she hadn't bitten off more than she could chew. Bodysurfing looked

A giant wave of water across Brittany also looked fun. "I could

Uncle Steven said. They stepped into the water successfully. "The rule is

Brittany frowned.

Uncle Steven said,

Brittany took a deep breath and followed his instructions. A wave

ing looked hard but it

place to start," he said.

o do to, bodysurf

d jump forward when

he followed her uncle's

Timing her movements as perfectly as she could, she leaped into the wave and rode it to the shoreline, Water splashed around her, and she laughed.

"I did it! It wasn't rocket science after all," she said as she jumped up for another turn.

Uncle Steven clapped for her. "Good for you! Break a leg!" he called.

This time, Brittany wasn't scared.

Riding the Waves
