

Name: _____

Letter X

Cut the parts and glue them into the letter X .

Name: _____

Letter X

A large dashed-line box containing eight horizontal bars of different colors (magenta, dark red, red, orange, lime green, green, teal, blue) for tracing. Each bar has two yellow dots at the ends. To the right of the bars are two large orange 'X' shapes, each with a red circle at its top vertex, for tracing practice.
