

Name : _____

Participial Phrases

A **participial phrase** consists of a participle (a word formed from a verb and sometimes used as an adjective) and any modifiers and complements.

Example: Setting small targets, designated weekly or monthly, helps kids achieve goals easily.

Underline the participial phrase in each of the sentences.

1) Cities known for their architectural splendor are my favorite.

2) Inspired by Mrs. H, the student decided to study music.

3) Nothing pleases the child more than to eat, preferably mashed.

4) Traveling all across the country, the student learned about Asian diversity.

5) Thomas showed respect for the teacher, to the teacher.

6) Kevin owes his fitness to his father's habit of daily exercising.

7) Supported by her friends, the student gave a great performance in the school show.

8) Focusing on the goal, the striker hit the ball accurately.

9) We took the badly injured player to the hospital for immediate care.

10) With attractively reduced ticket rates, the amusement park has sparked new interest among tourists.
