

Name : _____

Identify the Simile

Simile is a figure of speech that compares two different things using the words 'like' or 'as'.

Example: In her new hat, Scarlett looks as pretty as a picture.

Circle the simile and underline the noun it is describing.

1) Rachel's dress fits like a glove.

2) The table is big, like a giant.

3) Carl fought like a lion.

4) Mark ate all the food like a pig.

5) The new manager is as strict as a drill sergeant.

6) The lion roared as loudly as a train.

7) The kids fought like two tigers.

8) Tom has proved that he is as clever as a fox.

9) John said the day felt like a dream.

10) Everyone knows that Alex is as wise as an owl.
