

Name : _____

Estimation: Product & Quotient

Nearest Ten Dollars: S2

Round each amount to the nearest ten dollars. Estimate the product or quotient.

1) $\$351.79 \rightarrow$

$$\begin{array}{r} \times \quad 7 \\ \hline \end{array}$$

2) $\$186.03 \rightarrow$

$$\begin{array}{r} \div \quad 2 \\ \hline \end{array}$$

3) $\$702.41 \rightarrow$

$$\begin{array}{r} \div \quad 5 \\ \hline \end{array}$$

4) $\$127.60 \rightarrow$

$$\begin{array}{r} \times \quad 4 \\ \hline \end{array}$$

5) $\$544.26 \rightarrow$

$$\begin{array}{r} \div \quad 3 \\ \hline \end{array}$$

$$\begin{array}{r} \times \quad 9 \\ \hline \end{array}$$

7) $\$372.83 \rightarrow$

$$\begin{array}{r} \times \quad 8 \\ \hline \end{array}$$

$$\begin{array}{r} \div \quad 6 \\ \hline \end{array}$$

9) $\$606.41 \rightarrow$

$$\begin{array}{r} \times \quad 2 \\ \hline \end{array}$$

$$\begin{array}{r} \div \quad 5 \\ \hline \end{array}$$
