Number Line Division

Indicate hops on each number line and complete the division sentences.

1) $81 \div 9 = $ _____

```
← | | | | | | | | | | | →
  0    9   18   27   36   45   54   63   72   81   90
```

2) $16 \div 2 = $

```
← | | |              | | →
  0    2              18   20
```

3) $24 \div 6 = $

```
← | |              | | →
  0    6           54   60
```

4) $40 \div 5 = $

```
← | |              | | →
  0    5           45   50
```

5) $54 \div 9 = $

```
← | | | | | | | | | | | →
  0    9   18   27   36   45   54   63   72   81   90
```

6) $15 \div 3 = $ _____

```
← | | | | | | | | | | | →
  0    3    6    9   12   15   18   21   24   27   30
```
