

Name : _____

Number Line

L1S1

Read the number line and answer the following.

- a) Start at 3 on the number line. Hop 2 units to the left, then 4 units to the right. At what number will you land?

- b) Hop 6 units to the right from 0 on the number line. At what number will you land?

- c) Move 5 units to the left from 8 on the number line. Now, move 3 units to the right. At what number will you land?

- d) How many units to the right from 0 will you land at 6 on the number line?

- e) If you move 8 units to the left from 10, then at what number will you land?
