Name : _____

Perimeter of a Rectangle

A) Find the perimeter of each rectangle for the given measurements.

1) length = 13 ft, width = 8 ft

   Perimeter = _____

2) width = 3 yd, length = 17 yd

   Perimeter = _____

3) width = 5 in, length = 19 in

   Perimeter = _____

4) length = 11 ft, width = 7 ft

B) Find the perimeter
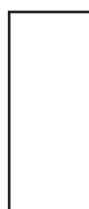

5)

   15 in

   Perimeter = _____

7)

   4 ft

   Perimeter = _____

   Perimeter = _____
