

Circle the picture that is different in each row.

1)

Four blue jellyfish are shown. The first, second, and fourth jellyfish have four long tentacles on the left and two on the right. The third jellyfish has two long tentacles on the left and two on the right.

2)

Four chocolate cakes on yellow stands are shown. The first, second, and fourth cakes have a red cherry on top. The third cake has a wooden stick on top.

3)

Two identical strawberries are shown on either side of the central preview box.

4)

Two identical blue televisions are shown on either side of the central preview box.

5)

Four colorful stacking toys are shown. Each has five rings (orange, pink, green, yellow, blue) and a top piece. The first has a red top piece, the second a purple top piece, the third a blue top piece, and the fourth a purple top piece.
