

Name : _____

The Thirteen Colonies - Locate & Label

Label the thirteen colonies using names from the word box.

The map shows the outlines of the thirteen colonies. There are ten empty rectangular boxes with arrows pointing to specific locations: one in the northern New England area, one in the New York/Pennsylvania area, one in the New Jersey/Delaware area, one in the Virginia/Maryland area, one in the North Carolina/South Carolina area, one in the Rhode Island/Massachusetts area, one in the Connecticut area, one in the Georgia area, one in the New Hampshire area, and one in the Delaware area. A large blue-bordered box in the center contains the text 'PREVIEW' and promotional information for the website.
