

Name : _____

The Structure of the U.S. Government

LEGISLATIVE
(makes laws)

Congress

Senate

House of Representatives

This diagram shows the U.S. Capitol building at the top. Below it, the word "LEGISLATIVE" is written in green, followed by "(makes laws)" in green. Below that, the word "Congress" is written in green. A green line branches from "Congress" to two smaller illustrations of the Capitol building, one labeled "Senate" and the other "House of Representatives", both in green.

Vice President

Cabinet

This blue-bordered box contains promotional text for the website. It includes the word "PREVIEW" in large blue letters, a sentence about accessing worksheets, two call-to-action boxes for members and non-members, the website URL, and icons for the Vice President and the Cabinet.

JUDICIAL
(evaluates laws)

Supreme Court

Other Federal Courts

This red-bordered box features an illustration of a courthouse. Below it, the word "JUDICIAL" is written in red, followed by "(evaluates laws)" in red. A red line branches from this text to two scales of justice icons. The left icon is labeled "Supreme Court" and the right icon is labeled "Other Federal Courts", both in red.
