A detailed illustration of a large, bright orange shrimp, shown from a side profile, facing left.	A stylized sun with a bright orange center and numerous sharp, yellow rays radiating outwards.
A brown tree with a thick trunk and several bare branches. Numerous yellow and red leaves are shown falling from the branches, scattered in the air around the tree.	A small bird with a yellow body and green wings, perched on a green branch. It has a black cap and is facing right.
A blue elephant with large ears and two white tusks, standing on four legs and facing left.	A blue river with white ripples, flowing through a landscape of green hills and grass.
