

Name : _____

Speed, Distance, and Time

Sheet 2

- 1) Bryan, a delivery-truck driver, had to cover a distance of 255 miles. If he traveled the distance in 5 hours, what was his average speed?

- 2) At the ABC Rally Championship, Team Rocket covered a distance of 189 miles by maintaining an average speed of 63 miles per hour. What was the time taken to complete the race?

- 3) Sydney drives her car for 3 hours and covers a distance of 180 miles. Lily drives for 2 hours, how many miles do you think she covers?

- 4) Elise boards the bus at 7:00 AM and reaches her school at 7:30 AM. Her school is 35 miles away from her home. If the bus takes 30 minutes to complete the journey, what is the average speed of the bus?

- 5) Kylie is using a treadmill for the first time. She starts at a walking pace and completes a mile in half an hour. What is Kylie's average speed?
