## Reading Venn Diagram

T2S1

Read each Venn diagram and answer the questions that follow.

- 1) The Stewart clan visited the New Jersey zoo and bought tickets for face painting, train rides, and pony rides. The number of tickets purchased by them is represented in the Venn diagram.

- a) How many tickets were purchased for face painting and pony rides?  
\_\_\_\_\_
- b) Find the number of tickets purchased for face painting and pony rides.  
\_\_\_\_\_
- 2) A survey was conducted to determine the number of students who can speak Spanish, French, and German. The Venn diagram given below represents the results.
