

Name : _____

Volume - Pyramids

Decimals: S3

Find the volume of each pyramid. Round your answer to two decimal places.

1) Base Area = 41 yd^2

Volume = _____

2) Base Area = 52.89 in^2

3) Base Area = 17.1 ft^2

Volume = _____

4) Base Area = 25.7 in^2

Volume = _____

Base Area = 46.9 yd^2

Volume = _____

7) The height of a triangular

pyramid is 8 yd. The base area is 46.9 yd². Determine its volume.
