

Name : _____

Complex Sentences

A **complex sentence** is a sentence formed with an independent clause and at least one dependent (subordinate) clause.

Example : Maria bought a new jacket, because she was attending a wedding.

“Maria bought a new jacket” is an independent clause.

“because she was attending a wedding” is a dependent clause.

Form a subordinate clause using the conjunction in the parentheses, and convert each simple sentence into a complex sentence.

Example : Liam read the book. (while)

Liam _____

1) My little pug follows _____

2) Mason waited at _____

3) Charles will be p _____

4) Dogs wag their t _____

5) Melina prefers co _____

6) I always wash my hands. (before)

7) Sean was driving. (when)

8) The kitten was crying all night. (because)
